

BOAT PARADE OF LIGHTS RANKED IN TOP TEN EVENTS FOR LAKE HAVASU CITY

As reported in Today's News-Herald, January 2, 2011:

In an effort to call attention to and grow local special events scheduled for 2011 with the greatest economic impact, the Lake Havasu City Convention and Visitors Bureau and Hospitality Association have issued a "Top 10 Event" list for 2011.

To be considered as a "Top 10 Event", the event must be in at least its second year and draw visitors from outside the area. Votes are cast by members of the Hospitality Association based upon their economic impact on the community. Candidates are nominated by the CVB's Events Committee.
